**Re: Armstrong, et al. v. Metropolitan Transportation Authority, et al.**  
**Civil Action No. 07-cv-3561 (GEL) (HBP)**

Dear Magistrate Judge Pitman:

This firm represents Defendants in this matter. Pursuant to the Court's Order dated May 15, 2008, Defendants are currently required to produce, by June 19, 2008, certain enunciated documents within the personnel files of decision makers / supervisors identified by Plaintiffs, or, alternatively, to make an application to withhold any documents on the grounds that such circumstances render them irrelevant. Plaintiffs may submit any opposition to the application by July 3, 2008. Additionally, Plaintiffs are required to submit any opposition to Defendants' application to withhold production of the personnel file of Sergeant Adam Gross, submitted on May 27, 2008, by July 3, 2008. These dates were previously extended eight days by consent.

Defendant requests, with the consent of Plaintiffs, a second brief extension of the deadlines set forth above for submissions by both parties be adjourned eight days, so that Defendants' application, if any, is due June 27, 2008, and that Plaintiffs' opposition to Defendants' submission also be adjourned eight days to July 11, 2008. This is the second such extension requested by either party. The total extension of time requested with respect to this issue is sixteen (16) days from the original deadlines set forth in the Court's May 15, 2008 Order. Granting this extension will affect no other deadlines in this action other than those described herein.

Honorable Henry B. Pitman

Defendants thank the Court for its courtesies and consideration with respect to this request.

Respectfully submitted,
